Aurora Headphones: Launch Plan

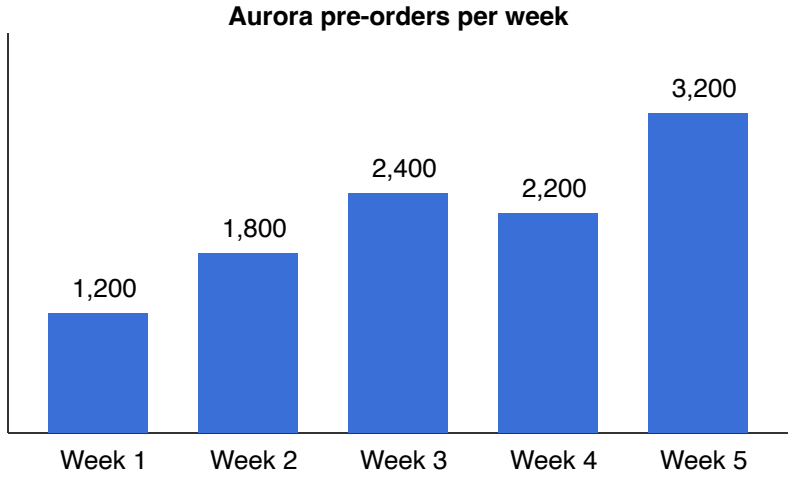
Aurora is our first noise-cancelling headphone. It launches on 12 March 2026 in three colours: graphite, sand and blue.

Specifications

Spec	Aurora	Aurora Pro
Price	$199	$299
Battery	30 hours	40 hours
Weight	250 g	265 g
Noise cancelling	Yes	Adaptive
Charging	USB-C	USB-C and wireless

Pre-orders by week

Pre-orders opened on 2 February. The chart shows pre-orders for each of the first five weeks.



Risks

The main risk is the supply of the Pro's wireless charging coil: the supplier has confirmed 60% of the launch order. If the rest is late, Aurora Pro ships two weeks after Aurora.
